

# A General History of the Pyrates: From Their first RISE and SETTLEMENT in the Island of Providence, to the present Time (Pirates - History)

A General History of the Pyrates.

From Their first RISE and SETTLEMENT in the Island of Providence, to the present Time.

By Daniel Defoe. With the remarkable Actions and Adventures of the two Female Pyrates Mary Read and Anne Bonny;

The classic era of piracy was in the Caribbean, circa 1650 until the mid-1720s. By 1650, France, England and the United Provinces began to develop their colonial empires. This involved considerable seaborne trade, and a general economic improvement: there was money to be made—or stolen—and much of it traveled by ship. French buccaneers were established on northern Hispaniola as early as 1625, but lived at first mostly as hunters rather than robbers; their transition to full-time piracy was gradual and motivated in part by Spanish efforts to wipe out both the buccaneers and the prey animals on which they depended. The buccaneers migration from Hispaniolas mainland to the more defensible offshore island of Tortuga limited their resources and accelerated their piratical raids. According to Alexandre Exquemelin, a buccaneer and historian who remains a major source on this period, the Tortuga buccaneer Pierre Le Grand pioneered the settlers attacks on galleons making the return voyage to Spain. The growth of buccaneering on Tortuga was augmented by the English capture of Jamaica from Spain in 1655. The early English governors of Jamaica freely granted letters of

marque to Tortuga buccaneers and to their own countrymen, while the growth of Port Royal provided these raiders with a far more profitable and enjoyable place to sell their booty. In the 1660s, the new French governor of Tortuga, Bertrand dOgeron, similarly provided privateering commissions both to his own colonists and to English cutthroats from Port Royal. These conditions brought Caribbean buccaneering to its zenith.

FEATURED LISTINGS DAVID J. BERGMAN Realtor® (831) 246-1155 FIND A HOME City, Zip Code, MLS# or Area Price min Price max SEARCH BUYERS! We have a common goal: Making you a homeowner.
