

A Thesis Resource Guide for Criminology and Criminal Justice

This handbook is a comprehensive guide to developing and writing graduate level research. It takes the reader on a step-by-step journey through the entire thesis process from initial ideas to a completed product or even a published article. Examples from actual student theses provide concrete illustrations of each step and function as a starting point for one's own project. Tips for organizing tasks and completing them on time help orient readers to the research process and give them confidence to achieve their own research goals. Unique step-by-step guide for successfully completing the thesis project from development through defense. Examples from theses done by students provide concrete illustrations and a starting point for ideas and discussion. Broad range of quantitative and qualitative thesis methodologies gives readers an overview of the basic tools of the research process. Tips for organizing tasks and completing the project on time. Those looking for assistance with writing a thesis.
