

Are Judges Political?: An Empirical Analysis of the Federal Judiciary

Over the past two decades, the United States has seen an intense debate about the composition of the federal judiciary. Are judges activists? Should they stop legislating from the bench? Are they abusing their authority? Or are they protecting fundamental rights, in a way that is indispensable in a free society? *Are Judges Political?* cuts through the noise by looking at what judges actually do. Drawing on a unique data set consisting of thousands of judicial votes, Cass Sunstein and his colleagues analyze the influence of ideology on judicial voting, principally in the courts of appeal. They focus on two questions: Do judges appointed by Republican Presidents vote differently from Democratic appointees in ideologically contested cases? And do judges vote differently depending on the ideological leanings of the other judges hearing the same case? After examining votes on a broad range of issues--including abortion, affirmative action, and capital punishment--the authors do more than just confirm that Democratic and Republican appointees often vote in different ways. They inject precision into an all-too-often impressionistic debate by quantifying this effect and analyzing the conditions under which it holds. This approach sometimes generates surprising results: under certain conditions, for example, Democrat-appointed judges turn out to have more conservative voting patterns than Republican appointees. As a general rule,

ideology should not and does not affect legal judgments. Frequently, the law is clear and judges simply implement it, whatever their political commitments. But what happens when the law is unclear? Are Judges Political? addresses this vital question.

FEATURED LISTINGS DAVID J. BERGMAN Realtor® (831) 246-1155 FIND A HOME City, Zip Code, MLS# or Area Price min Price max SEARCH BUYERS! We have a common goal: Making you a homeowner. Let's make it happen! Ensuring you exceptional service at every step of your home buying process. Search listings from the convenience of your home. Be the first to get new listings that match your criteria. Get real estate market watch updates for listings in your area. "For Buyers" - Your source for the latest tips, checklists and free reports.
