NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. For the Introduction to Corrections course An easy-to-use, easy-to-teach, comprehensive overview of the field of corrections Based on its established tradition of comprehensive, student-friendly coverage with extensive supplemental material, Corrections in America has been the best-selling text in the field for over 40 years. It covers virtually all aspects of corrections, including its history, prisons in the present, correctional ideologies, sentencing and legal issues, alternatives to imprisonment, institutional corrections, and correctional clients. This new edition includes expanded coverage of contemporary issues, including juvenile facilities, state and federal prisons, and security threats and gangs. Photos and figures provide a visual learning experience that presents complex

data in a very simple and readable manner. Key words, review questions, definitions and objective-based summaries make instruction more focused, and help students master the materials.

Personalize learning with MyCJLabMyCJLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. This powerful homework and test manager lets you create, import, and manage online homework assignments, quizzes, and tests that are automatically graded. You can choose from a wide range of assignment options, including time limits, proctoring, and maximum number of attempts allowed. The bottom line: MyLab means less time grading and more time teaching.
