

Freedom or Security: The Consequences for Democracies Using Emergency Powers to Fight Terror

Several democratic countries have used emergency powers to restrict or suspend individual liberties in order to fight terrorism more effectively. Emergency powers are controversial in their potential to undermine democracy and civil liberties. Freeman challenges popular arguments of both the supporters of emergency powers, who focus on their expected effectiveness, and the critics, who focus on the dangers. In reality, the recent experiences of four different democratic states that have invoked emergency powers show that a positive outcome is just as likely as negative outcome. As the United States fights its war against terrorism, it should heed the lessons learned by other democracies in similar struggles, particularly Great Britains relationship with Northern Ireland in the 70s and 80s, Uruguays response to the Tupamaros in the late 60s and early 70s, Canadas dealings with the FLQ in 1970, and Perus conflict with the Shining Path movement in the 80s and early 90s.

FEATURED LISTINGS DAVID J. BERGMAN Realtor® (831) 246-1155 FIND A HOME City, Zip Code, MLS# or Area Price min Price max SEARCH BUYERS! We have a common goal: Making you a homeowner. Let's make it happen! Ensuring you exceptional service at every step of your home buying process. Search listings from the convenience of your home.
