

Soccer Against The Enemy: How the Worlds Most Popular Sport Starts and Stops Wars, Fuels Revolutions, and Keeps Dictators in Power

Soccer is much more than just the most popular game in the world. For millions, it is a matter of life and death, an international lingua franca. Simon Kuper traveled to twenty-two countries to discover the sometimes bizarre effect soccer can have on politics and culture. At the same time, he tried to discover what makes different countries play a simple game so differently. Soccer Against the Enemy introduces the remarkable variety of fans Kuper encountered along the way, from the East Berliner persecuted by the Stasi for supporting his local team, to the Argentine general with his own views on tactics. It also illuminates the frightening intersection between soccer and politics, particularly in the wake of the attacks of 9-11, where soccer is obsessed over by the likes of Osama bin Laden. The result is one of the worlds most acclaimed books on the game, and an astonishing study of soccer and its place in the world.

FEATURED LISTINGS DAVID J. BERGMAN Realtor® (831) 246-1155 FIND A HOME City, Zip Code, MLS# or Area Price min Price max SEARCH BUYERS! We have a common goal: Making you a homeowner.
