

# Tiley & Collisons UK Tax Guide 2012-13

Tiley & Collisons UK Tax Guide adopts a practical approach to UK tax law providing essential guidance for the practitioner and is also ideally suited for students studying for the CIOT examination. It examines the workings of income tax, corporation tax, capital gains tax, inheritance tax, VAT, stamp duty and NIC. The thought-provoking commentary makes the complex subject of revenue law interesting and easy to understand. It is fully cross-referenced to the major LexisNexis looseleaf works. Published in the autumn, the 2012-13 edition is fully up-to-date incorporating statute and case law up to the date of Royal Assent to the Finance Act 2012.
