

Tiny Kushner: Five One-Act Plays

A slam-bang series of five plays providing kaleidoscopic windows into the recesses of the artists fertile mind... . Tiny Kushner exists in its own imaginative realm, engaged in the process of working out the American experience without approval or condemnation.—VarietyKushners eclectic, wicked wit makes for a great deal of charm and excitement... . Hefty political and moral issues dance with buoyant shtick... . Penetrating comedy and theatrical strokes light up the stage.—San Francisco ChronicleDescribed as a thinking persons comedy (The New York Times), Tiny Kushner is a series of five short works from one of the most important voices in the American theater. Best known for his Pulitzer Prize– and Tony Award–winning seven-hour epic *Angels in America*, Tony Kushner shows audiences his talent for brevity with this collection of works, which recently co-premiered at Berkeley Repertory Theatre and the Guthrie Theater in Minneapolis. The pieces include no fewer than two therapy sessions (one with Richard Nixons shrink), a trip to the moon, Queen Geraldine of Albania, tax-evading New York City cops, and Laura Bush reading Dostoyevsky to a class of dead Iraqi schoolchildren—to give you a taste. Includes: *Flip Flop Fly!*; *Terminating or Sonnet LXXV or Lass Meine Schmerzen Nicht Verloren Sein* or *Ambivalence*; *East Coast Ode to Howard Jarvis*; a little teleplay in tiny monologues; *Dr. Arnold A. Hutschnecker in Paradise*; and

Only We Who Guard the Mystery Shall Be Unhappy. Tony Kushner's plays include A Bright Room Called Day; Angels in America, Parts One and Two; Slavs!; Homebody/Kabul; and the book and lyrics for Caroline, or Change. His many honors include the Pulitzer Prize, two Tony Awards for Best Play, and three OBIE Awards for Playwriting.
